3 Manual Massage Programs

Choose from 3 manual air massage programs. Select a particular area to concentrate the massage for relief. Select from the feet, back or waist. These manual massages help you relax your muscles, improve joint mobility and relive muscle tension and pain.

Automatic Massage Program

The Aires comes with a full body automatic massage program. Just activate the program and the Aires provides you with a full body massage including the feet, calves, waist, buttocks and back.

3 Levels of Air Pressure

There are three levels of air pressure which can be adjusted depending on your needs. Select a gentle or firmer massage based on your wants and desires.

19 Airbags

The Aires comes with nineteen airbags to provide full body massage. Fourteen airbags provide for comprehensive foot and calf massage. There are two airbags for the waist, two airbags for the back and one airbag for the buttocks.

Foot Heaters

The leg rest has a heating element beneath the soles of your feet for soothing warmth.

Foot Roller Massage

There is a foot roller designed to relieve tension and tightness in the feet. The Aires gives you a relieving foot massage every time.

Striking Design

The Aires air massage chair is a great accent chair for the home or office. The distinctive lines of chair adds a designer touch to any room.

Full Body Massage

The Aires gives you a thorough and comprehensive full body compression massage. The nineteen airbags provide soothing relief to your body to help you relax anytime.

Hidden Leg Rest

The Aires has a motorized leg rest which is hidden underneath the seat when not in use. Just extend the leg rest out and insert your feet for immediate relief. The leg rest is activated via the remote control. You can extend it out or retract it back underneath the seat with the touch of a button.

Ultra Soft Synthetic Leather

The Aires is upholstered with top quality, ultra soft synthetic leather. This material is easy to maintain and clean. It is both breathable for comfort and waterproof for easy clean up.

Remote Control

All of the features of the Aires are available at the touch of a button with the convenient remote.

Relaxation at the Touch of a Button!

After a hard day, you probably feel just a little bit stressed. Your muscles are stiff. You feel your body aching. You can feel the tension that you are carrying in your body. It's as if the weight of the world is on your shoulders.

What will make you feel better?

Let the Aires massage chair help you relieve your stress. Take the load off your feet and let the Aires rejuvenate them after a long day.
